**The Cat
Corner**

Adults are better than kittens!

Peaches and Chance are females. Captain and Seaweed are males. All are older than two years. They live together with other cats, dogs and young children. The females like to be cuddled and petted when they decide. The males always demand cuddling and petting. \$150 adoption fee each. As Captain and Seaweed are bonded, \$150 for the pair.

Pet Valu in Bancroft will trim your pets' nails for \$10, cash only. All proceeds are given to Home Again. Next nail trimming is November 6. Sign up in the store.
